### The Registration of Voters.

The voters of this city should not forget to have their names put on the registration books before October 26. Everybody who wishes to vote must register. Do not think for a moment that it is all right because you have registered prior to this year. The electoral board ordered a new registration out and out, and all the old registration books will be destroyed. So far the registration in the different wards stands as follows: First ward, 650; Second ward, 350; Third ward, 420; Fourth ward, 375; Fifth ward, 350, or a total of 2,145, or about one-half of the usual number of voters. You had better attend to this duty to-day; to-morrow you may forget it. In the first ward you will find the registrar, O. D. Derr, at Roberts' store, corner Commerce and Campbell streets, opposite the courthouse; Second ward, Lee H. Simmons, registrar, at 17 Campbell ave.; Third ward, J. L. Kelley, registrar, at 412 Commonwealth ave., after 6 o'clock p. m., works in the Norfolk and Western offices; Fourth ward, Edward White, registrar, at 108 South Jefferson street; Fifth ward, M. P. Scott, registrar, at Bohn's store, Park street.

The future home of the newly wedded couple will be in Martinsburg, W. Va.

## A SPECIFIC

—FOR—

La Grippe, for Colds, Coughs,

AND LUNG TROUBLES,

AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband, reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral, procured for me a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."—EMLY WOOD, North St., Elkton, Md.
